Key Insights

Canadian semi-annual fixed compounding; principal and interest only. Property tax, insurance, condo fees and mortgage insurance premiums are excluded unless included in entered principal. Rates held constant for illustrations, including lifetime accelerated-payment estimates; future renewal rates will differ. Accelerated biweekly = half the monthly payment, 26 times yearly. Variable mortgages and HELOC interest use different conventions and are not modelled. Loan amortization/insurance eligibility is not assessed. Rules reviewed 2026-10-20.
